IF THESE WALLS COULD TALK . . .

. . . we would hear the stories of thousands of students who have passed through the doors of Concordia.

Just seeing the buildings often brings a smile to those who remember the days of mid-terms and nocturnal library visits. Although we are not

acquainted with every Concordia edifice when we graduate, each of us claim a happy memory in some corner of the university.

CONCORDIANS:

In all shapes, sizes, and colours.

A stroll through Concordia's campuses makes it clear that what makes this university such a special place is the people it attracts. Whether it be an enthusiastic cheer at a Stingers game, or a heartfelt round of applause after a theatre department production, Concordia students are always demonstrating a unique sense of involvement in the university community. Between studying for an exam, grabbing a bite of lunch and waiting for the shuttle bus, the people of Concordia always find a moment in their day to show us a face we'll never forget.

INTERNATIONAL/ETHNIC ASSOCIATIONS' COUNCIL

“ Say What? ”

The I/EAC is an umbrella organization representing 15 ethnic associations at Concordia. It was founded in October 1981 and recognized by the Concordia Council on Student Life (CCSL) in October 1982. The I/EAC has since established itself as the governing body of 15 member associations, representing them within Concordia University and the community at large.

The I/EAC Council oversees and coordinates the activities of its associations, seeking to promote an alliance and solidify relations among international/ethnic student associations and other student organizations. Its main objective is to unite Concordia's various ethnic communities, provide students with a sense of belonging, and to preserve and spread their ethnic heritage along with students who take an avid interest in foreign cultures.

The I/EAC's member associations sponsor and participate in a wide range of social, cultural and academic activities, both within and beyond Concordia University. As a result, the I/EAC and its associations have made, and continue to make, an immeasurable contribution to Concordia's student life.

Congratulations to all graduating students and all those that have made the I/EAC a success!

"Cuts in Education"

On November 20, in the Hall Building of Concordia University, for the first time in ten years, over 750 students voted overwhelming to strike against government cuts in education on November 21 & 22. That same day, after the General Assembly, the students rallied and marched from Concordia to Premier Bouchard's office in Montreal — the Hydro Quebec Building. Nevertheless the Provincial Government is still going forward with plans to cut \$700 million dollars in education for the 1997-98 academic year.

Volute is Concordia University's student-run magazine of undergraduate art history writing and fine arts work. The 8th issue was launched on Tuesday, December 3rd 1996 at the Visual Arts Gallery & was a hit.

The launch's organizers (photo) curated original artwork, featured in the magazine, served sushi and other treats and presented 3 very different realms of entertainment. A jazz duo, Highland dancers, and African drumming. The drummers were part of the performance troupe from Keteke school, a Montreal studio, run by Joe, who was a member of the National Dance & Drumming Company of Ghana, Africa.

The rhythmic beats attracted students (who were actually in class at the time) down to the gallery to groove!

VERNISSAGE

On April 1st, Concordia's first- and second-year Design Art students began their tribute to the department's finest work with a little party. Music played and people mingled as everyone admired two- and three-dimensional art as well as art designed through computer technology. Two first-year Design Art students, Tamzyn and Tevis, were instrumental in making the opening night a success.

The Stingers finished the season with a 7-1-4 record, and won the Quebec University Women's Hockey league championship.

Graduating Superstar forward Cammi Granto received the Director's Shield at Concordia for her contribution to the athletic department.

Her successor, Corinne Swirsky, scored 58 goals and 28 assists, and was named female athlete of the year at Concordia.

MEN'S HOCKEY

The men's hockey team finished the season with an 11-13-2 record. Unfortunately, they missed the playoffs. But head coach Yves Beauchage can still take solace in the fact his team played hard every game, and competed in a very competitive division.

Rookie Patrick Groleau was named to the second all-star team.

With a rich history including three consecutive Quebec championships and a 24-game winning streak in league play, the usually stellar women's rugby team had a frustrating season, missing the playoffs. A highlight for head coach Micheline Greene's team was the naming of Ann Coyle to the all-star team. Coyle was also named the team's MVP.

Winning the provincial championship with a 9-0 record, head coach Clive Gibson's team had a season that was simply awesome. Seven players were named Quebec Student Sports Federation all-stars: team captain Alfredo Demartino, Paul Van Wyck (also the team's MVP), Chris Gregory, Mathieu Garston, Jacob Cocks, Russ Brown and Sal Dagher, and Hugues Boivin received an honorable mention.

midt. The chemistry student was named female academic student of the year with a 4.06 GPA, and was a second team all-star.

The Stingers finished the season with a 1-10-1 record. In spite of a dismal season, head coach Sylvia Franz says the news isn't all bad. The team looks forward to strong recruiting and the return of several veterans to boost next year's team. One of last year's rookies who will undoubtedly help the team is Cindy Goldszmidt.

MEN'S SOCCER

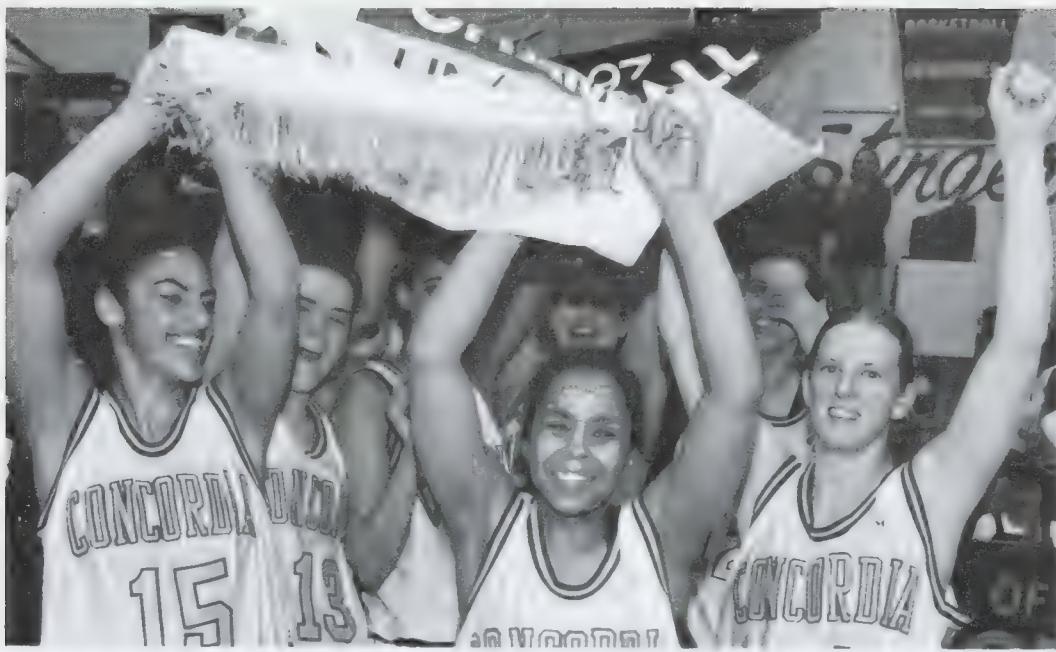

After losing two pivotal players, the soccer team struggled, completing the season with a record of 4-5-1. Coach Vladimir Pavlicik cites the graduation of Mario Lombardi, who was an all-Canadian last year, and the injury of Robby Gasparini early in the season, as the major problems. Though finishing with their first losing record in eight years, the team did make the playoffs, losing in the provincial semi-finals. Louis Touchette was named team MVP.

MEN'S BASKETBALL

The Stingers failed to advance to the Nationals in Halifax for the first time in eight years.

They finished with a 7-13 record, and suffered from a lack of experience.

Fifth-year player J.P. Reimer was named winner of the Ron Lapointe Award at Concordia for leadership and commitment to excellence.

TRACK & FIELD

The foundations for a bright future for Concordia's track and field team were laid down by head coach Malcolm Balk.

Sprinter Lenroy Henry won a gold medal in the 60-metre race at the Canadian Interuniversity Athletic Union championships in Windsor.

The team also continued to work on fund-raising projects.

CROSS- COUNTRY RUNNING

Head coach Malcolm Balk was proud of his team's performance in 1996.

Jennifer Casimir was named M.V.P. on the women's side, while Marc Nesbit captured the honours for the men.

FOOTBALL

The Stingers had an off season, finishing with a 2-6 record, attributed to the loss of some veteran players and several close defeats, but the story of the season was the record-breaking play of quarterback Dominik Goulet. The QB re-wrote Concordia's record books. He set marks in attempted passes (247), completions (131) and yardage (2000). His .530 passing percentage was also a team record.

Ten years
young, and
our future
is bright.

BioChem Pharma is celebrating ten years of innovation. We are proud of 3TC*, our discovery for the treatment of HIV/AIDS, as well as our vaccine technologies and our diagnostic products available around the world.

Like any ten-year-old, we have achieved a great deal in just a short while. Now, we eagerly look toward the future.

We are already Canada's leading biopharmaceutical company, but we're not content to stop there. Our people will continue to innovate to fulfill important medical needs so that generations to come can enjoy healthier and happier lives.
